

On behalf of WTS, we thank you for your generosity and support of our 2nd Annual Charity for Children event.

Your participation in this year's fishing and golf tournament helped raise over \$140,000 for the Cystic Fibrosis Foundation and Niagara Falls Boys & Girls Club. The Cystic Fibrosis Foundation funds more CF research than any other organization in the world and is responsible for many of the medicines available today. The Niagara Falls Boys & Girls Club serves over 1,400 youths every year and is dedicated to shaping our future by helping tomorrow's leaders succeed today.

By taking time out of your busy schedule to join us in Lewiston for a worthy cause like this, you have proven to be a great supporter of youths and have helped create a brighter future for our community. We would also like to thank all of the fishing captains for spending time with us on the river and our volunteers for making the event both fun and successful.

Kids at the Club

At Monday's luncheon over 80 children from the Niagara Falls Boys & Girls Club joined the golfers at the Niagara Falls Country Club for a day of tennis, swimming, and fun games. The involvement of these children in the event helps to make it truly special and we hope for this tradition to continue long into the future.

Our Real Champions

Later that night at the dinner reception, attendees heard the story of Ashley Fabio, pictured Left, a woman living with CF, and the challenges she has overcome. In addition, the Niagara Falls Boys & Girls Club's Youth of the Year, Shanya Davis, pictured Right, shared her experiences and how the Boys & Girls Club has helped her work through those issues. At the end of the dinner, a representative from Niagara Catholic High School offered Shaniya a scholarship so she can continue on her path to success.

Looking forward to next year, August 7th & 8th,

Gary P. Hall Mike C. Oliver
